**Nairobi PAS Support Local Women's Groups during Ramadhan**

PAS Nairobi contracted local women's groups in Kisumu and Malindi to prepare traditional iftar meals for guests invited to the Embassy hosted iftars. It is an effective way to help women develop their entrepreneurial and small business development skills, a key Mission priority. Women form over 51 per cent of the population in Kenya, and they are a key pillar to building their communities and eventually to ensuring sustainable economic self-reliance for themselves and their families.
